

Save The Cookie

Please don't chew me.
Please don't chomp me.
Please don't crunch me.
I'm just a cookie!

I'm mighty soft.
I'm warm and lovely.
Will you keep me?
Let's be buddies!

Hold my cookie hand,
It's chocolate-coated-chewy.
We'll glaze ourselves in sprinkles,
A sugary frosted beauty.

Let's have a ball of fun,
From morning until dusk.
It's great to save a cookie,
Even when it's oven fresh.
